V. New Business

A. Lodge Report Workshop

Garland Kent

“Tackle Topic”: Lack of youth interest in positions and events.

Solutions:

- A) Make the wording in promotions as clear as possible. Terms we may understand may be confusing to new arrowmen we’re trying to activate.
- B) Sending out postcard. “Impact of paper is much better”

Section G-Suite Explanation

The Section has built a G-Suite so that we are able to have a viable email host for many years to come and for better organization within the section. Benefits includes access to google teams for the CVCs to work with the section officers in a much better way than before, access to google meet so that the section can host web calls and conference calls through google, and the ability for us to host our website if we choose to down the road.
