Each year, upon holding a Unit team election for youth candidates that results in at least one youth candidate being elected, the Unit Committee may nominate registered Unit adults (age 21 or over). The number of adults nominated can be no more than one-third of the number of youth candidates elected, rounded up where the number of youth candidates is not a multiple of three. In addition to the one-third limit, the Troop committee may nominate the currently serving Scoutmaster if they have served as Scoutmaster for at least the previous 12 months.

The camping requirement for youth candidates must be fulfilled by adults for them to be considered. To be eligible, the adult must have completed 15 nights of Boy Scout camping during the two years immediately prior to nomination. The 15 nights must include one, but no more than one, long-term camp consisting of five consecutive nights of overnight camping, approved and under the auspices and standards of the BSA. Only five nights of the long-term camp may be credited toward the 15-night camping requirement; the balance must be overnight, weekend, or other short-term camps of, at most, three nights each. Include above the dates and location of the long-term camping experience.
