## Unit Request to Participate in Out-of-Council Call-Out

Great Rivers Council, BSA  
1203 Fay St.  
Columbia, MO 65201

January 1, 2020

Effective until revoked

To all Out-of-Council Camp Directors with participating units from Great Rivers Council

Brother,

If your local Order of the Arrow lodge conducts a call-out during camp any and all candidates from units within Great Rivers Council are hereby given permission to participate in such call-out. A candidate shall be defined as:

- any youth whose name appears on an Order of the Arrow Unit Election Report associated with the unit. In addition, the unit election must have been held within the past year and also within one year of Nampa-Tsi Lodge's next ordeal opportunity which are currently scheduled for the upcoming Fall or Spring.

AND/OR

- any adult whose name appears on an Order of the Arrow Adult Nomination Form associated with the unit that has been marked approved by our local Lodge Adult Selection Committee. In addition, Adult Nomination Forms must have been marked approved after the Unit Election date and the Unit Election date must be within the past year and also within one year of our Nampa-Tsi Lodge's next ordeal opportunity which are currently scheduled for the upcoming Fall or Spring.

If your local lodge does not call-out adults as part of your call-out ceremony, please ask the unit leadership to privately inform the adult candidate of your policy but to further inform them that this does not affect their candidate status with Order of the Arrow or Nampa-Tsi Lodge.

As a reminder National OA Committee policy is that no member may complete their ordeal or obtain brotherhood through an out-of-council lodge as these membership opportunities are reserved for a members home lodge.

In Brotherhood,
